SUPPLEMENTARY INFORMATION:

Affected Entities: Entities affected by this action include approximately 400 Goldwater Scholars and their respective Academic and Financial Aid Officers.

Title: Goldwater Foundation payment Request Form.

Abstract: Pub. L. 99-166 authorizes the Goldwater Foundation to conduct an annual nationwide undergraduate scholarship competition for students pursuing careers in mathematics, the natural sciences and engineering. This Information Collection Form is used by the Foundation to verify a Goldwater Scholarship recipient's academic standing and to authorize the disbursement of funds to the Scholar each term.

The Foundation uses this form to ensure that only authorized expenses are requested and to avoid the duplication of other scholarship funding which is prohibited. Less frequent collection of this information would not allow the Foundation to verify a Scholar's academic and financial status as required each term. Further, less frequent collection would case the Foundation to expend funds sooner than would be fiscally responsible, since all funds are interest bearing until expended.

Under the Paperwork Reduction Act of 1995 (the PRA) (44 U.S.C. 3501-3520) Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. (c)(2)(A) requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information before submitting the collection to OMB for approval. To comply with this requirement, the Goldwater Foundation is publishing notice of the proposed collection of information listed below.
